From the President

Hope all are well !

Things have been fairly quite here over the winter months, the progress are still waiting for the extension of the Rec Shed of 2 bays to start this should happen very soon.

The camping ground has still been a little quiet, although we laid 20 ton of fines near the area on the BBQ end of park.

A big thank you to Ian Marschall for levelling off the area with his bobcat, the lake that used to form after a heavy rain there is no longer happening, thanks to Sam Johns for trucking the fines from Curramulka. Council has promised 3 trees to plant along the front of the park .

A word of warning !

Please make sure your properties are well locked up. A recent attempted break in occurred on Main Street.

There is still nothing happening with the sale of the Kiosk.

The Council has offered to help with plans and approvals for a viewing platform on the sand hill walkway from the end of Welfare Street, so look forward to this for the summer months.

We have constructed a new gate way entrance to Lot 1 and the rec shed . Thanks again to Ian Marschall and Tony Clark for their help.

A reminder of the People's Choice Lottery books are soon to be returned no later than the 10th of September.

This is a good money spinner for our town and a chance to win good prizes, thanks to the people who have all ready returned their books !

Keep warm!

Jeff Adams

Thankyou to all those people that have bought and returned their People's Choice raffle tickets, if you have not returned yours yet can you get them back to the Progress as soon as possible. We appreciate your support.

Caravan and Camping Grounds

Many thanks to all the people who make the park such a pleasure place to be. While the park is empty due to the cold weather, Progress committee members and other volunteers have moved in and caught up on some maintenance to the area, gardening chores and ground levelling etc. We often get complimented on how clean and neat everything is, makes all the work put in there very worthwhile, knowing that not only the visitors but also the local residents appreciate it.

I would like to bring to your attention that the barbecues in the park area are for the public use, not only for the campers there. My family used the BBQ's for a luncheon recently and it was really great sitting in the sun catching up on all the Adelaide news with them. We do ask that you clean the BBQs after use.

Please ring Joan for all enquires or bookings

Joan Brumfield 0498744415

Position Vacant

The BPA is looking for a new secretary. as of the AGM I am no longer able to continue due to other commitments, so hope that someone is able to take this position. I will be handing over the reigns, so please consider the position.

AGM Sunday 6th October 2019 7pm

Welcome sign to Balgowan.

I am sure you would all have seen our new welcome sign with member of the Progress Jim Bell working hard doing the bricklaying under sign, we just need Dave to put the light behind sign and we are looking great. Many thanks Jim for doing this for Progress well done.

Your Pets

This is ongoing with many complains coming in to Progress of dogs not on leashes while walking or them doing their business in private yards when owners let them of for a run alone.

Please if you are visiting or a local be aware of where you dog is and if in public on the beach have you dog restrained unless the beach is empty. Remember that **your dog** is friendly to you and your family but might not be to others so please have it on a leash . The Progress provide plastic bags for your use.

The Recreation Shed Lot 1 Moody Rd, Balgowan.

The land that the recreation shed and the caravan park stand on are leased from YP council by the Balgowan Progress Association Inc. the buildings and equipment there in, are Balgowan Progress Inc. property.

This facility is for the use and enjoyment of residents of Balgowan and in turn have pride and respect for the facilities that are provided and with your support hopefully more things can be added as time progresses.

As you would be a member of a football or netball club you would use their facilities when they are open to the public. BPA opens the recreation shed to the public for functions such as Bingo nights and Australia Day events or allows financial members of the BPA to take their guests to use these facilities.

We issue new codes to enter each financial year as you pay your membership, so that if you are a member you can use the facility providing you leave it clean and lock up after use.

All this for \$5.00

I hope that this clears up any issues that have been brought to BPA committees attention it was put into the financial year "Shoreline" after we had some damage done and property went missing from the rec shed last year. These premises are fully security monitored with cameras at all times.

Many thanks to Jeff Adams, Tony Clark and Ian Marschall for their hard work in putting in new gates on the entry to Lot 1 Moody Road.
