## From the President

Welcome to a new Calendar year. Hope every one enjoyed their summer holidays at Balgowan.

It was good to be able to use the North Beach again. The last week there has had a lot happening again to the ramp, lots of stones being put on the sea side. I would like to thank you for your support at the Australia Day Breakfast, the combined event with the CFS worked well. A very big thank you to the Marschall family for the preparation towards the day.

BPA have purchased and received a portable shade for the North beach. It will be put up next year from before Xmas till the end of February. We have also ordered a shade for the playground, once approved this will soon go up. The "Welcome to Balgowan " sign is also in the process and hopefully not far away. The Camping ground has been very busy since Xmas with the tenants causing no trouble at all and enjoying our facilities. Also the bottles and cans, we thank you, it has been a very good fundraiser for us. The Rec shed has been well used and hopefully the Kiosk is not far from opening. On behalf of our Progress Committee I wish everyone a safe and happy year.

Jeff Adams

Progress President

### **From the Balgowan CFS.**

The Balgowan CFS congratulate Joan Brumfield on receiving Balgowan Australia of the year, we would also like to thank all that donated to make the day the success that it was.

Thank you to all who attended the Australia Day breakfast and we are looking forward to returning to the beach next year.

Next year will be our 10th year of Australia Day celebrations in Balgowan, would welcome any feed back or offer of help in organising the day.

Have you all got your fire escape plan ready and gone through it with family in case of an emergency?

New members are always welcome as Fire fighters or on social committee if interested please contact Ian Marschall. 0428245337

## **House Checks**

Thankyou to all the people who have come on board for house checks, we have 40 houses on our books and membership is 80 people + so well done to you all and thank you for supporting the BPA.

## **Cans and Bottles**

Cans and bottles can be left in receptacles at back of toilet block near caravan park, wine bottles please dispose off through your recycle bin. The recycling of the cans helps the BPA with money towards project around Balgowan.

## **BPA News**

David in the process of setting up an email address for booking at the Camping grounds the Web page is all set up and looking great, thanks David Clasohm.

BPA have been successful in obtaining a grant of \$5000.00 from the "Wattle Point Wind Farm Community Fund" towards a shade to cover part of the children's playground area. The total cost of the cover is just over \$12000.00 so look forward for this to go up shortly. It should cover the main part of the children's equipment with future thoughts of adding on as money is available.

A new "Welcome to Balgowan" sign will be erected shortly on the approach into Balgowan so if you are able and see the men working near the entry to Balgowan and wish to help please do.

Jeff, Sam, Ian and Brain where able to get the two pieces of gym equipment in place before Christmas and I see they have been used well over the holiday period .

## **Tower on Moody Rd.**

The tower is being erected by the Attorney General Department for communication with, ambulance, police, CFS and emergency services. In response to emergency calls of assistance.

## Australia Day Celebration

Although a slow start to the morning the day turned out well, thank you to all who helped organise the day and who came and enjoyed breakfast.

Congratulations to Joan Brumfield what a well deserving lady. Our thanks from BPA and CFS go to Adrian Case for his donation to both organisations, Michelle Case who made and donated the gift baskets for our raffle, and to Daphne Marshall who also made and donated the beautiful gift basket given to Joan.

## Caravan/ Camping Park

Joan has been very busy with the camping grounds over Christmas New Year period, we are very grateful for the work she does for the BPA ensuring that campers get their sites and are made welcome.

Please ring Joan for all enquires  
or bookings

## Your Pets

Please remember that your dog should be on a leash when in a public area there is a \$200 fine for none complying.

If you bring your dog to the caravan park, they are very welcome but please ensure if they do their daily business (poo) on peoples lawns it is your reasonability to clean it up.

Remember that your dog is friendly to you and your family but might not be to others so please have it on a leash and displaying its registration tags. The council has sign up and have provided plastic bags for your use. Especially on the beach, this is a public area.
